SHOTS are not available.

Policies and Procedures

Wedding Rehearsals and Engagement Portrait Sessions

Rehearsal times are scheduled for Thursday 9AM - 5PM. It is rare circumstance that we do not have a previously scheduled event on Friday, Saturday or Sunday and thus Thursday is our only available window for rehearsals. If you wish to have your rehearsal on another day, we will not reserve that date until 30 days prior to the event. Rehearsal is for 1 hour and if the wedding party does not arrive on time, this can considerably shorten your rehearsal time. Engagement Sessions are complimentary to those with a reserved date at Paradise Falls. These sessions are available during business hours 9AM-5PM and scheduled based on availability so as not to conflict with other events.

Additional Pre-Wedding Time

The wedding party may arrive two hours prior to the wedding for getting ready and for photos. Early arrivals are subject to a venue rental fee of \$150 for up to 1 hour (no discount for half hour or quarter hour) to ensure some staff is on hand to attend to wedding party. Early arrival is strictly for the wedding party and not for wedding guests to arrive as our gates do not open until 1 hour prior to actual ceremony start time. The ultimate package includes bridal party early arrival.

Additional Event Time

Additional hours are available and are charged at \$1000 per hour.

Damages and Liability

Paradise Falls is not responsible for any damage or loss to any merchandise, articles or valuables belonging to the hosts or to their guests located on our premises during or subsequent to any function. The client agrees to be responsible for any damages incurred to Paradise Falls premises and or property by the host, his guests, independent contractors or other agents that are under the client's control. Additional charges will be billed in case of any loss or damage caused to the bridal cottage, groom's retreat or putting green, reception lawn or pavilion, ceremony area or any other Paradise Falls property. Due to the lack of secured storage space, all personal items, floral arrangements, cake stands and other event décor must be removed from the premises immediately following your event. Paradise Falls will not be held responsible for items left on our premises once the event has concluded. All unclaimed items will be discarded or donated to charity.

Food and Beverage Service

Please note all alcoholic beverages and food service are regulated by the State of California, therefore, no food, liquor, beer, wine or beverages may be brought onto Paradise Falls premises from outside sources. The only exception is the wedding cake, which is to be provided by a professional bakery with a health department approved kitchen. The bakery must name Paradise Falls as additional insured on their policy. We provide enough food based on your guest count. Excess food will not be allowed to leave our premises. All alcoholic beverages are subject to availability and current market prices. Paradise Falls reserves the right to close the bar without refund, at any time and/or refuse service to anyone who may be in our view, intoxicated, unruly or under 21 years of age. The bar will be closed 30 minutes prior to the end of the event. This helps to ensure guests are not leaving intoxicated as this liability falls on both the venue and the host. All uncorked bottles and/or alcoholic beverages will not be allowed to leave Paradise Falls premises.

Noise Restrictions and Curfew

To assure the success and professional quality of your wedding reception, we require that Paradise Falls approved DJ's are used. Please select from our Suggested Wedding Professionals List. It is the Client's responsibility to provide the music and sound for the wedding ceremony and reception. You may employ a string quartet, pianist, harpist or singer. The reception music must be turned off promptly one half hour prior to the end of the event. If Event is scheduled to end at 11PM, then Paradise Falls requires that music decibels are lowered from 10PM -10:30PM to 55 decibels. All guests must be off property ½ hour after event time ends and vendors one hour after contract time ends.

Pets

Paradise Falls is pet friendly. If you wish your favorite pet be a part of your wedding, we are happy to accommodate you. Please make sure that you bring a crate for your pet after the ceremony as pets are not allowed in the reception area unless designated as a service animal.

Table Linens & Event Décor

White linen is included in the Paradise Falls wedding package. Special colors, patterns, or designs are arranged through Paradise Falls. Please ask your planner for details and pricing. When selecting centerpieces please be aware that all candles need to be placed on a base to collect the melting wax and to avoid wax spilling on to tables. In addition to a base under the candle, a globe must also surround the candle so as not to expose the flame. This includes candles that are part of arrangements as well as any candle décor that acts as an arrangement. Floral centerpieces must be assembled before they arrive. We do not allow rice, confetti, sparklers, silly string, or glitter on the premises. If using rose petals for the aisle way (applies only when using gazebo) we require that petals are placed on an aisle runner to avoid staining of the concrete walkway.

Paperwork

All paperwork should be turned in no later than 18 days prior to your Wedding; this includes but is not limited to the timeline, wedding checklist, approved diagram, signed Banquet Event Orders, and processional. Table counts are to be submitted no later than 5 days prior to event. When addressing your invitations, we advise that you show the wedding start time a half hour before the actual start time to insure that all your guests arrive on time so that we may start on time. Paradise Falls requires that all décor to be placed by our staff, be delivered assembled with no additional assembly required.

Inclement Weather

In the event of inclement weather, Paradise Falls reserves the right to move your wedding ceremony to our ballroom pavilion to insure guest comfort and safety. The mini roadster will not be used and no credit is provided as this is a complimentary service that is not charged. The day before the wedding, if the weather forecast is questionable as to rain, we will automatically set up your reception inside the pavilion. Not knowing the outcome of the weather, for those hoping the weather clears to dine "under the stars" we will provide an additional reception setup for \$750. The second set up site will be set with white linens unless additional linens are rented for this purpose since there is no way of removing linen during the event. If on the morning of the wedding, rain is forecasted, Paradise Falls will set up your ceremony inside the pavilion. We cannot switch ceremony sites at the last minute. If weather clears and the outdoor ceremony site is requested, this must be stated three hours prior to the ceremony start time, we will charge \$250 labor fee to make the necessary move.

Event Date Changes

Paradise Falls requires a \$2500.00 non-refundable reservation fee to book a date. The \$2500 reservation fee may be transferred (one time only) and applied to another date, as long as notice of your date change occurs at least 9 months prior to your scheduled event. Your first 25%, second 25%, and third 25% payment due dates will not change and will still be due based on your original event contract and invoice due dates. Your final count and final payment will be due 10 days prior to your new date.

Event Cancellations

The \$2500 reservation fee is fully earned by Paradise Falls and is therefore non-refundable. Event cancellations made 9 months prior will receive a refund of all installment payments made on account less the non-refundable reservation fee retained by Paradise Falls. Please note that unforeseen or unplanned events such as Acts of God, military deployments or family illness may make it necessary to cancel or postpone your wedding resulting in the loss of all monies on account. To eliminate having to worry about these situations, we highly suggest that you contact WedSafe at wedsafe.com or 877-723-3933 to fully discuss their affordable Wedding and Event Insurance Policies. They will be able to explain costs, coverage and policies in detail. A WedSafe policy can help to offer protection and peace of mind in the event that unexpected situations arise during the planning of your event.

Guest Count Guarantee

Paradise Falls requires a guest minimum of 50 people Monday through Thursday, 100 on Friday or Sunday, and 125 on Saturday. Guest minimums are based on full adult prices, children and vendors will not lower guest minimum below those shown above. The number of guests attending must be confirmed 18 days prior to the event. This number will be a guarantee that may not be reduced after that day. In the event that your actual count does not meet the minimum guarantee, you will be charged for the minimum required. Paradise Falls can accommodate 350 guests.

Payments

A \$2500 reservation fee is required to hold a date. This fee is non-refundable. A quarter (25%) of your balance is due nine months prior to your event, the second quarter (25%) of your balance is due six months prior to your event and the third quarter (25%) of your balance is due three months prior to your event. Final count is due 18 days prior to your event with final payment due 14 days before your event. All payments will be accepted by cash, check, or credit cards. If payments are not received within the 14 days of due date, the event will be cancelled and made available for re-booking. This does not apply to final counts and payments which are due no later than 14 days prior to your event.

Holding a Date

Paradise Falls has a "no hold" policy, therefore a credit card or other form of deposit is the only way to reserve a specific wedding date, on a first come first serve basis. Once the reservation fee is paid, you are given 3 days to sign and return your contract. If we do not receive your signed contract within 3 days, we will release your date for rebooking.

Vendor Policy

All vendors, including, but not limited to, florist, bakeries, photographers, wedding coordinators, bands, etc. must provide a certificate of insurance, naming Paradise Falls as an additional insured prior to arriving on the property.

Reception Only (no ceremony)

If you would like to use Paradise Falls for your reception only the package price remains the same, and you will still have the venue for the same amount of time.

Service Charge and Sales Tax

A 20% taxable service charge is added to all food and beverage charges and current California state sales tax is calculated on the total of all charges.

Menu Tastings

All menu tastings are complimentary for the wedding couple and are scheduled on pre-determined dates. Our Food and Beverage Manager will contact you after booking your event to schedule your tasting. If you prefer a private menu tasting due to scheduling conflicts, one can be arranged for an additional fee which you must arrange directly with the catering company.
