OVERVIEW :: THE PEARL HOTEL

The Pearl Hotel is located in historic Point Loma — one block away from beautiful San Diego Bay, two miles from the San Diego International Airport, and 10 minutes from the vibrant Gaslamp Quarter and Seaport Village. Point Loma is a renowned boating community and residential neighborhood where visitors and locals alike, marvel at rows of eclectic sea vessels docked along the waters. The area's commercial profile is led by a charming array of coffee houses, bookstores and other independently owned businesses further complemented by Liberty Station, an exciting shopping, dining and entertainment playground.

Inside and out, The Pearl's unique environs evoke the mid-century aesthetic of '60s Palms Springs, when the Rat Pack's glamour thrived; '70s Los Angeles, when progressive design set new standards; and certainly, they reflect the quiet cool of Point Loma and the hip, urban pulse of the nearby downtown scene. And whenever you and your wedding guests are with us, we ensure that love, happiness and hospitality rule the day and night.

TESTIMONIALS

"We recently held our wedding at The Pearl with a full buy-out of the venue for one night and truly can't say enough about our experience from start to finish. We planned our wedding from Wisconsin without ever visiting the site or city, so I'm sure we had way more questions about the venue, food and area than most. The entire staff from the owner to whomever happened to answer the phone was incredibly insightful and patient, answering every question and offering additional insights on the city and vendors etc. for the rest of our plans.

The team managing the room reservations for our guests was incredibly communicative, patient and easy to work with. Our event coordinator, Meghan truly went above and beyond time and again to ensure every detail was covered."
