San Diego Hall of Champions

SPORTS MUSEUM

Established in 1961, the San Diego Hall of Champions is committed to showcasing the city's rich sports history by honoring the achievements of local athletes. The museum's exhibits cover high school to professional sports, ranging from such traditional ones as baseball and football, to the modern action sports of BMX and motocross. A walk through the San Diego Hall of Champions provides visitors with a narrative of the city's sports growth along with inspirational stories of its sporting legends.

THE SAILING EXPERIENCE

A new addition to the Hall of Champions is a state-of-the-art sailing exhibit featuring a fully-rigged, previously raced Star class boat. Guests will enjoy sailboat models and relevant imagery and information about the oldest international sporting trophy in continuous competition - the America's Cup. The exhibit also boasts video interactivity, including touch-screen and laser panels, allowing guests to fully immerse themselves in the sport of sailing.
