

Riverwalk Golf Club

Wedding Packages

Rates subject to change

Located in central San Diego, within Mission Valley's Hotel Circle, Riverwalk has been titled "San Diego's best kept secret".

Riverwalk permits your guest to enjoy a picturesque view of our award winning 27-hole golf course while dining in our banquet room.

Our Catering and Sales Director can provide assistance in planning the special details of your wedding day, from preparing a customized menu to recommending specialty vendors.

As your guests arrive on Riverwalk's premises, they will not only notice the seclusion of our venue, but the personal ambiance created on your wedding day, allowing you to remember this special day for years to come.

Frequently Asked Questions

Do I need to guarantee a certain number of guests to reserve a banquet room?

We understand that it is difficult to know how many guests you will have months in advance, so instead we have a food & beverage expenditure specified for each month. Please contact our Catering Department for specific month minimums. Your final guaranteed guest count is due 7 business days (approximately 10 days) prior to your event.

What is your event capacity?

To rent the entire banquet room at Riverwalk, we require a 50 guest minimum along with a food and beverage expenditure based on the month & day of your event. The maximum amount for a seated event at Riverwalk is approximately 240 guests, while a cocktail style event is 400 guests.

What is your deposit policy?

We require just two deposits with the first due upon signing your confirmation agreement and confirming your date and the second is due halfway between when you signed your contract and your event date with both specified in your contract. The amount for each is 25% of your estimated cost for food and beverage. Your final guarantee and payment is due 7 business days (approximately 10 days) prior to your event.

How can I pay my deposits?

We accept Checks, Credit Cards, and Cash for your first two deposits. Personal checks are not accepted for final payment.

Can I order a children's meal?

Yes. We offer Chicken Fingers, French Fries, and Fruit Cocktail at a discounted price. Please inquire if you are in need of an alternate selection.

Do you offer vegetarian, vegan and gluten free meals?

We do provide vegetarian, vegan and gluten free meals upon request. The chef will prepare a meal that will satisfy any special meal needs.

Do you have a Bridal Suite?

No, but we have wonderful relationships with surrounding properties to help find you the perfect location to get ready for your event and can often save you hours of searching.

How many hours do we get the room for?

The room rental package includes (5) hours for your reception and (1) hour for vendor set up prior to the start of the event. Additional hours can be purchased on receptions or events for \$250.00 per hour. If you have your wedding ceremony at Riverwalk Golf Club, you also receive (1) hour for your ceremony in addition to your set up and reception time.

What is the rental cost?

\$850.00 for the Ceremony Space Rental & \$1000.00 for the Reception Space Rental.

Do you offer a food tasting?

We do provide (1) complimentary main entrée tasting for each event of 50 guests or more after you have provided us with a signed contract and deposit for your event.

Do you offer parking?

The club offers you and your guests complimentary parking for your function.
